DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application
and do hereby deny the same, subject to the following limitations and
conditions on the grounds that the granting thereof would impair
the value of existing rights.

The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed
cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or
before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial
use must be filed with State Engineer on or before
